1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a message of condolence to the people of the State of California, who have been suffering from the effects of the late war. The President expresses his sympathy for the people and their suffering, and offers his prayers for their recovery and prosperity. He also mentions the fact that the war has been a great blessing to the country, as it has brought about the preservation of the Union and the establishment of a more perfect government.

1. The first of these is the fact that the majority of the population of the United States is now living in urban areas. This is a result of the process of urbanization, which has been going on since the beginning of the 20th century. The population of the United States has increased from about 100 million in 1900 to over 200 million in 1950, and the majority of this increase has been in urban areas. This has led to a concentration of population in a few large cities, which has in turn led to a number of problems, such as overcrowding, pollution, and traffic congestion.

## Legislative Council.

The 9th June 1855.

THE following Bill, as settled in Committee of the whole Council on the 9th of June 1855, is re-published for general information:—

*A Bill for the more easy recovery of small debts and demands.*

WHEREAS it is expedient to provide for the more easy recovery of small debts and demands in the Territories in the possession and under the Government of the East India Company; It is enacted as follows:—

I. In each of the Presidencies of Fort William in Bengal, Fort St. George, and Bombay, every Moonsiff's Court shall be a Court of Small Causes for the trial of summary actions, and shall exercise summary jurisdiction under the following rules.

II. All claims for money due, whether on Bond or other contract, or for rent, or for personal property, or for the value of such property, or for damages, when the debt, damage, or demand does not exceed in amount or value the sum of Fifty Rupees, shall be tried summarily in a Court of Small Causes; provided that a summary action in such Court shall not lie in any of the following cases:—

1st.—On balance of partnership account, unless the balance shall have been struck by the parties or their agents.

2nd.—For a share or part of a share under an intestacy, or a legacy or part of a legacy under a will.

3rd.—For any claim relating to arrears or exactions of rent, or to alleged illegal distrains for rent, for which claim, or for any part whereof,

a summary suit could have been brought before an Officer of Government in the Revenue Department, if commenced in due time.

4th.—For the recovery of damages on account of alleged personal injuries, unless special damage of a pecuniary nature shall have resulted from such injury.

5th.—For any claim which, irrespectively of the amount thereof, is not according to law cognizable by a Moonsiff in his ordinary jurisdiction.

III. No person whatever shall, by reason of place of birth, or by reason of descent, be excepted from the jurisdiction of any Court of Small Causes constituted under this Act, and any such Court shall be competent to hear and determine all claims cognizable by such Court, when the cause of action shall have arisen, or the defendant at the time of the commencement of the suit shall reside as a fixed inhabitant, within the local limits of the jurisdiction of such Court, provided that, if an action be brought against several defendants, of whom one shall be resident as a fixed inhabitant, within the local limits of the jurisdiction of the Court within the jurisdiction of which the cause of action shall have arisen, the action shall be brought in that Court.

IV. Claims which can be tried in a summary action in a Small Cause Court under Section II. of this Act shall not be cognizable in any other Court or in any other manner; but nothing in this Act shall be held to take away the jurisdiction which a Magistrate, or a person exercising the powers of a Magistrate, or an Assistant or a Deputy Magistrate can now exercise in regard to debts or other claims of a Civil nature, or the jurisdiction which can be exercised by village Moonsiffs or village or district Panchayets under the provisions of the Madras Code, or by Panchayet under Regulation VII. of

Proviso.

Claims which can be tried under this Act not to be cognizable in any other Court.

1827 of the Bombay Code, or by Military Courts of Request, or by a single Officer duly authorized and appointed under the Rules in force in the Presidencies of Fort St. George and Bombay respectively, for the trial of small suits in Military Bazaars, in Cantonments, and stations occupied by the troops of those Presidencies respectively, or by Panchayets in regard to suits against Military persons, according to the Rules in force under the Presidency of Fort St. George.

V. A minor may prosecute a suit under this Act upon any contract entered into with him, or for any wrong for which he might have sued under this Act if of full age, without being represented by his guardian or next friend, in the same manner as if he were of full age. Provided that no release, compromise, or acquittal by the minor be valid without the consent of the Court.

VI. Every Court holden under this Act shall use a Seal bearing the following inscription in English and in the language of the Court—“Court of Small Causes of \_\_\_\_\_,” and every such Court shall be a Court of record, and shall be subject to the general control and orders of the Judge of the district and of the Sudder Court.

VII. A plaintiff shall not divide any cause of action for the sake of bringing two or more summary actions under this Act; but a plaintiff having a cause of action for more than the amount cognizable by the Court, may abandon the excess, which abandonment shall be stated in the plaint and shall for ever bar any claim to such excess.

VIII. The plaint in a summary action under this Act, except in actions by Native Officers and Soldiers, which, under the provisions of Act No. XV. of 1845, may be instituted on unstamped paper, shall be engrossed on paper bearing a stamp or stamps proportioned to the amount sued for, according to the rates in the following Table:—

	Rs.	As.	P.

When plaint on plain paper may be received. Subsequent procedure for recovery of costs.

IX. *Clause 1.*—The Court, if satisfied of the inability of the plaintiff to pay the value of the stamp prescribed for plaints, may receive such plaint on plain paper.

*Clause 2.*—On the conclusion of the suit, the whole of the costs which would have been incurred by the plaintiff, had he been admitted to sue as a pauper, shall be ascertained and entered in the decree.

*Clause 3.*—If the decree is in favor of the plaintiff, the costs, or such part of them as the Court may decree, shall be recovered from the defendant for the benefit of the Government and other parties entitled thereto.

*Clause 4.*—If the decree is against the plaintiff, the defendant, if payment of costs is awarded, may proceed against the plaintiff under the ordinary rules for the enforcement of decrees.

X. In a suit instituted under this Act for a sum not exceeding Fifty Rupees, no stamp shall be required in respect of any petition or other proceeding connected with the suit, or with the execution of any order or judgment passed therein, or for copies of any papers, other than the stamp duty hereinbefore required on the plaint. In suits for an amount exceeding Fifty Rupees, the general Stamp Regulations in force in the several Presidencies shall be applicable.

XI. In order to the institution of a suit under this Act, a plaintiff may state his claim to a Judge verbally; in which case it shall be reduced into writing in the language of the Court, by the Judge himself, or by an Officer of the Court in his presence and under his personal superintendence, upon stamped paper to be provided by the plaintiff for that purpose; or the plaintiff or his authorized agent may present to the Judge a plaint in the vernacular language of the Court.

XII. The plaint, whether taken down in writing in the Court, or presented in writing, shall state briefly the name, designation, and residence of the plaintiff, and also, if known, the name, designation, and residence of the defendant, the substance and value of the claim, and the date of the cause of action, according to one of the forms contained in the Appendix A, or to the like effect.

XIII. If the plaintiff sue on a bond, or rely in support of his claim on any document in his possession other than an entry in a book, he shall deliver the same to the Court at the time of making or presenting his complaint, and if the document be an entry in a book, he shall produce the book to the Court, together with a copy of the entry on which he relies; and unless such document as above-mentioned be delivered in, or its non-production be sufficiently excused, or unless the Court may see fit to extend the time for producing the same, it shall not be admitted to proof in support of his claim.

XIV. The Court, having received a plaint, shall proceed thereupon to make inquiry, by examination of the plaintiff or his agent, upon oath

or affirmation, as to the merits, and shall record the substance of the examination. The Court shall reject the plaint unless it appear that the plaintiff has a cause of action, or if it shall appear that the defendant or the matter of the suit is not within the jurisdiction of the Court, or that the action is barred by the lapse of time. If the plaint be not rejected, it shall be filed together with any document produced in support thereof, unless the document be a book; in which case, the Court, after examining and comparing the copy of the entry produced with the original, and marking the original, shall cause the copy to be filed and the original book to be returned to the plaintiff.

**XV.** The Court, upon rejecting a plaint, shall record its decision, which shall be reduced to writing in the vernacular language of the Judge, together with the reasons upon which it is founded.

**XVI.** If the plaint shall be admitted, the Court shall direct the issue of a summons to the defendant in the form laid down in the Appendix B, or to the like effect.

**XVII. Clause 1.**—A copy of the plaint shall be left with the defendant when the summons is served upon him; and if the plaintiff require the personal attendance of the defendant, and satisfy the judge that such personal attendance is necessary, or the Judge of his own accord require such personal attendance, the summons shall contain an order for the defendant to appear personally in Court on a day to be specified in the summons, otherwise the summons shall order the defendant to appear personally, or by an Agent duly authorized on his behalf who has personal knowledge of the subject or who shall be accompanied by a witness who has such personal knowledge.

**Clause 2.**—If there be more than one defendant, the plaintiff or the Judge may require the personal attendance of any one or more of the defendants, and the same shall be specified in the summons, which shall be served on each of the defendants.

**Clause 3.**—The day to be specified in the summons shall be fixed with reference to the state of the file and the distance that the defendant may be, or be supposed to be, at the time, from the place where the Court is held; and the summons shall order the defendant to produce any document which he may have in his possession, of which the plaintiff demands inspection, or upon which the defendant may intend to rely in support of his defence.

**Clause 4.**—Nothing in this Section shall be deemed to require the personal attendance of any defendant, who, at the time of issuing the summons, is *bonâ fide* residing beyond fifty miles from the place where the Court is situated.

**XVIII.** No misnomer, or inaccurate description of any person or place, in any summons or other proceeding, shall vitiate the same, if the person or place be therein so described as to be sufficiently identified.

**XIX.** The summons shall be served by a single peon, by delivering a copy thereof to the defendant personally when practicable, or if the summons cannot be served on the defendant personally, by delivering a copy of it, together with a copy of the plaint, to some adult male member or servant of his family, residing or being in his dwelling-house or place of business, or by affixing a copy of the summons and a copy of the plaint to some conspicuous part of his usual place of abode or place of business, and also by affixing copies of the same in the Court room. The summons in either case shall be served a sufficient time before the day fixed for the appearance of the defendant, to enable him to appear in Court on that day.

**XX.** If the summons be served personally, the Nazir shall endorse on the summons the fact of such service.

**XXI.** If personal service be not effected, the Nazir shall endorse on the summons the reason of not serving it personally, and how it has been served.

**XXII.** When a summons or other process is required to be served or executed in a place beyond the jurisdiction of the Court, such summons or other process shall be transmitted to the Court of Small Causes within whose jurisdiction the summons or other process is required to be served, whether such Court of Small Causes be within the local limits of the jurisdiction of one of Her Majesty's Supreme Courts or not, and a Judge of such Court shall back the same, and cause it to be served in the same manner and subject to the same rules as if it were a process issued by such Judge, and shall return the summons or other process to the Court issuing the same with a certificate of the Nazir of what shall have been done thereon.

**XXIII. Clause 1.**—When a summons has been served on a defendant, and he does not attend on the day fixed for his appearance, if the Nazir's report show that the service has not been made in sufficient time to admit of the defendant conveniently attending the Court on that day, the Court may adjourn the hearing to another day, which shall be made known to the parties by a proclamation affixed in a conspicuous place in the Court room.

**Clause 2.**—Any Nazir who shall wilfully make any false statement in respect of the service or the non-service of a summons by any endorsement on such summons, and any person who shall wilfully make any false statement respecting the service or non-service of the summons, or shall personate any party to a suit, shall,

## Legislative Council.

The 9th June 1855.

THE following Bill, as settled in Committee of the whole Council on the 9th of June 1855, is re-published for general information:—

*A Bill for the more easy recovery of small debts and demands.*

WHEREAS it is expedient to provide for the more easy recovery of small debts and demands in the Territories in the possession and under the Government of the East India Company; It is enacted as follows:—

I. In each of the Presidencies of Fort William in Bengal, Fort St. George, and Bombay, every Moonsiff's Court shall be a Court of Small Causes for the trial of summary actions, and shall exercise summary jurisdiction under the following rules.

II. All claims for money due, whether on Bond or other contract, or for rent or for personal property, or for the value of such property, or for damages, when the debt, damage, or demand does not exceed in amount or value the sum of Fifty Rupees, shall be tried summarily in a Court of Small Causes; provided that a summary action in such Court shall not lie in any of the following cases:—

1st.—On balance of partnership account, unless the balance shall have been struck by the parties or their agents.

2nd.—For a share or part of a share under an intestacy, or a legacy or part of a legacy under a will.

3rd.—For any claim relating to arrears or exactions of rent, or to alleged illegal distrains for rent, for which claim, or for any part whereof,

a summary suit could have been brought before an Officer of Government in the Revenue Department, if commenced in due time.

4th.—For the recovery of damages on account of alleged personal injuries, unless special damage of a pecuniary nature shall have resulted from such injury.

5th.—For any claim which, irrespectively of the amount thereof, is not according to law cognizable by a Moonsiff in his ordinary jurisdiction.

III. No person whatever shall, by reason of place of birth, or by reason of descent, be excepted from the jurisdiction of any Court of

Small Causes constituted under this Act, and any such Court shall be competent to hear and determine all claims cognizable by such Court, when the cause of action shall have arisen, or the defendant at the time of the commencement of the suit shall reside as a fixed inhabitant, within the local limits of the jurisdiction of such Court; provided that, if an action be brought against several defendants, of whom one shall be resident as a fixed inhabitant, within the local limits of the jurisdiction of the Court within the jurisdiction of which the cause of action shall have arisen, the action shall be brought in that Court.

IV. Claims which can be tried in a summary action in a Small Cause Court under Section II. of this Act shall not be cognizable in any other Court or in any other manner; but nothing in this Act shall be held to take away the jurisdiction which a Magistrate, or a person exercising the powers of a Magistrate, or an Assistant or a Deputy Magistrate can now exercise in regard to debts or other claims of a Civil nature, or the jurisdiction which can be exercised by village Moonsiffs or village or district Panchayets under the provisions of the Madras Code, or by Panchayet under Regulation VII. of

Claims which can be tried under this Act not to be cognizable in any other Court.

Proviso.

without being represented by his guardian or next friend, in the same manner as if he were of full age. Provided that no release, compromise, or acquittal by the minor be valid without the consent of the Court.

VI. Every Court holden under this Act shall use a Seal bearing the following inscription in English and in the language of the Court—“Court of Small Causes of ————;” and every such Court shall be a Court of record, and shall be subject to the general control and orders of the Judge of the district and of the Sudder Court.

VII. A plaintiff shall not divide any cause of action for the sake of bringing two or more summary actions under this Act; but a plaintiff having a cause of action for more than the amount cognizable by the Court, may abandon the excess, which abandonment shall be stated in the plaint and shall for ever bar any claim to such excess.

VIII. The plaint in a summary action under this Act, except in actions by Native Officers and Soldiers, which, under the provisions of Act No. XV. of 1845, may be instituted on unstamped paper, shall be engrossed on paper bearing a stamp or stamps proportioned to the amount sued for, according to the rates in the following Table:—

FORT WILLIAM,  
FINANCIAL DEPARTMENT,

The 8th June 1855.

THE following Rules for the grant of Leave of Absence for regulating Deductions from Salaries and Deputation Allowances, and for limiting the period of Service of Civil Servants, are published for general information, and will take effect in all the Presidencies and Settlements under the Government of India from the date of the publication of this Notification, in supersession of the Rules of the 17th May 1843 and the 25th August 1854.

CHAPTER I.

RULES FOR APPLICATION FOR LEAVE OF ABSENCE.

Section I. No Leave of Absence from any

Office or Station can be granted, but by the Government under which the employment is held, and on the application of the party requiring such leave, saving in such cases as may hereafter be specially accepted. The application must be made publicly through the regular channel in the Department to which the applicant may belong.

*Section II.* The official allowances of the holder of a Civil Office quitting his Station without leave will entirely cease from the date of his quitting until his return, or, in the event of his subsequently obtaining leave, to the date of such leave being granted to him.

*Section III.* No Leave of Absence shall have any retrospective effect, except in cases of severe illness, to be attested by Medical Certificate, conforming in every respect to the directions contained in Section V.

## CHAPTER II.

### RULES FOR SICK LEAVE.

*Section IV.* Upon application duly made, the Government may grant Leave of Absence on Medical Certificate to any Civil Servant, to any place in India, in Europe, or elsewhere, as he may consider most conducive to the restoration of his health, without any restrictions whatever as to the places to which he may resort.

*Section V.* When an application for Leave of Absence is made on the ground of ill-health, it must be accompanied by a Certificate and a Statement of the case from the Medical Officer by whom the applicant has been attended, distinctly stating, from personal observation, the nature of the disease, the symptoms by which it is manifested, the period during which it has existed, as far as the knowledge of the Medical Officer extends, and the necessity for temporary removal to some other place in India, or in Europe, or elsewhere, as laid down in Section IV. ; and in case of the applicant visiting the Presidency preparatory to obtaining leave, the Certificate must be counter-signed by the Members of the Medical Board, on their being satisfied, on a perusal of the Medical Attendant's statement of the case, that the leave applied for is absolutely necessary towards his recovery. Should the applicant's Medical Attendant be of opinion that he ought to proceed to a Sanitarium or other place without visiting the Presidency, the Certificate must, in the first instance, be counter-signed by the Superintending Surgeon of the Division in which the applicant may be located, and afterwards submitted with the statement of the case for the consideration and counter-signature of the Members of the Medical Board.

The Certificate shall be given in the following form :—

I, A. B., Surgeon at or of ——— do hereby certify that E. F., of the Civil Service, is in a bad state of health, and I solemnly and sincerely declare that, according to the best of my judgment, a change of air is essentially necessary to his recovery, and do therefore recommend that he may be permitted to proceed to Sea, (or to such place as the Surgeon may think proper, expressing it in the Certificate.)

The following form shall be observed by the Members of the Medical Board or the Superintending Surgeon, in counter-signing the Surgeon's Certificate :—

We (or I) do hereby certify, that, according to the best of our (or my) professional judgment, after careful personal examination of his case, we, (or I) consider the state of health of E. F., to be such as to render Leave of Absence for a period of ——— absolutely necessary (or highly desirable) for his recovery.

An application for extension of leave must, if the applicant be in India, be accompanied by a

Certificate to a like effect from the Medical Officer by whom the applicant is attended, together with a statement showing sufficient reason for the extension solicited ; and such Certificate must be counter-signed by the Members of the Medical Board, or by the Superintending Surgeon of the Division, in which the applicant may be located, as the case may be, on perusal of the statement. In like manner, if the applicant shall have proceeded beyond the Territories under the Government of the East India Company, he must furnish a Certificate and Statement to the required effect from a Surgeon or Physician at the place of his temporary residence by whom he has been attended, such attendance, and the period of it, to be stated, and the Certificate to be counter-signed by the Examining Physician of the East India Company if the applicant is in England, or if not in England by the principal Medical authority of the Colony or Country to which the Absentee may have proceeded, or some sufficient reason stated for the want of such counter-signature if the Certificate be not so counter-signed. The Medical Board or Superintending Surgeon, before counter-signing a Certificate as above-mentioned, must either personally examine the applicant or state some sufficient reason why they, or he, have or hath been unable to do so. When any of the required particulars are neglected, leave will be refused.

*Section VI.* The following conditions will in future attach to Leaves of Absence granted to Civil Servants who may be declared by a sufficient Medical Certificate to require such leave for the recovery of their health :—

1st,—The total period of absence, with the privileges hereinafter provided, shall not (save as specially excepted in Clause 5 of this Section and in Section VII. of these Rules) exceed eighteen months in the whole, nor shall it exceed fifteen months on any one occasion.

2ndly,—The office of the absentee will be considered to be vacated if he shall be absent beyond eighteen months altogether, or beyond fifteen months at any one time unless he shall obtain leave under Clause 5 of this Section, such absence to be computed, if he shall proceed to a Sanitarium within the Presidency, from the date of his arrival thereat to the date of his quitting the Sanitarium; if to any place beyond the Presidency, but within the Continent of India, from the date of his leaving the frontier of his own Presidency to the date of his return thereto; and if he shall proceed to Sea, from the date of the sailing of the Vessel on which he may have embarked from any Port in India which is not more distant from his Station than the Ports of his own Presidency, to the date of his arrival at any Port within the Presidency to which he belongs, or at any other Port which is not more distant from his Station than the Ports of his own Presidency.

3rdly,—The absentee will be entitled to draw a moiety of his salary, and the same will be paid to him during such period of absence, provided that he shall in no case draw a larger sum than Rupees 10,000 (£1,000) per annum, during that period. In cases in which the emolument of the absentee's office does not exceed Rupees 5,000 per annum, no deduction therefrom shall be made for the period of eighteen months, nor shall such a deduction be made in other cases as shall reduce the allowance below Rupees 5,000 (£500) per annum. In cases in which the salary of the absentee may

not be of that amount, the full salary will be granted.

*4thly*,—For the interval elapsing between departure from Station to the commencement of reckoning absence or between the end of reckoning absence and re-arrival at Station, the absentee will be allowed a special leave for an additional period of one month, two months or three months according to the distance to be travelled as prescribed in Section XX. of these Rules, and during this additional period the absentee will be entitled to draw the same salary as is allowed by Clause 3 of this Section.

*5thly*,—If the absentee shall apply under Medical Certificate, to remain absent for a longer period than eighteen months or fifteen months at any one time, and it shall appear to the Hon'ble the Court of Directors to be absolutely necessary after examination by their Medical Officer in England, that he should do so; the leave which may have been granted in India will, under the orders of the Honorable Court, be extended to the limit of two years, with permission to retain Office, and half salary within the limits enjoined, during such extension.

*6thly*,—If the absentee be compelled by the state of his health, under due Medical Certificate, to remain absent for a longer period than eighteen months, or fifteen months at any one time, or beyond two years in the case of an extension under Clause 4, he will, as before stated, vacate his appointment, but he will be permitted to receive an allowance at the rate of £500 per annum if above ten years standing at the time when the leave was granted, or of £250 if not above ten years standing at the time when the leave was granted, for such further period of absence as shall not exceed the entire term of three years in the whole. At the expiration of that term, all allowance must cease until he reports his return to his Presidency.

*Section VII.* If a Civil Servant of more than fifteen years' service, after having been absent on Sick Leave for eighteen months in the whole, or for fifteen months at one time, at whatever period of his service such Sick Leave shall have been taken, shall be again compelled by the same cause to apply for Leave of Absence, the Government of India and the subordinate Governments may, on special grounds, grant Leave of Absence for one further period not exceeding six months, during which the absentee may retain his office, and half his salary under the limits above enjoined.

*Section VIII.* If a Civil Servant, after fifteen years' service, shall be compelled by ill health to apply for further Leave of Absence, he may be permitted on special grounds to obtain it, but his absence will involve the loss of office and salary; the Government of India and the subordinate Governments will however, respectively, exercise a discretionary power to grant, in such last-mentioned cases, a sick absentee allowance, not exceeding Rupees 5,000 or £500 per annum, for a further period not exceeding twelve months.

*Section IX.* A Civil Servant who has taken Sick Leave under the Rules of the 17th May 1843. will not be debarred by that circumstance from taking such leave again under the above Rules, with the privilege of retaining Office, provided the leave be not granted till three years have expired after his return from his leave under the Rules of the 17th May 1843.

*Section X.* None of the above-mentioned Rules will be applicable to Members of Council. Each Member may, however, with the special sanction of the Government, be permitted to be absent, under Medical Certificate, for a period not exceeding six months, retaining his office and receiving half his salary, which shall be paid to him during such absence, but if his absence shall exceed six months, his office will be vacated.

*Section XI.* Civil Servants who may desire to draw their allowances while absent on account of sickness under the above Rules, will be required to give security in such amount and form as may be fixed by the Government for the refund of any excess that may be drawn either by the Agents at the Presidency or by themselves in case of their coming under retrenchment.

### CHAPTER III.

#### RULES FOR SHORT LEAVE ON PRIVATE AFFAIRS.

*Section XII.* The Government may grant to Civil Servants Leave of Absence to any place in India, Europe or elsewhere without any restrictions whatever as to the place to which they may resort for one month in each year, without deduction from the salaries and emoluments drawn by such Servants—such leave, however, will only be granted when the Government is satisfied that no inconvenience will arise from the departure of the Officer seeking it. No second leave can be granted under this Rule until the completion of eleven months from the expiration of the last leave; but Servants not availing themselves of the indulgence in any one year, may obtain, under the like conditions, Leave of Absence for two successive months, to commence at or after the expiration of twenty-two months from the termination of their former leave; and if two years elapse without enjoyment of the privilege, leave for three months may, in like manner, be granted at the expiration of thirty-three months from the termination of the last preceding leave; but no leave shall be granted under this Rule for any period exceeding three months. If an Officer shall not return at the expiration of the period of leave granted him under this Rule, he shall forfeit all pay and allowances during the time of his remaining so absent without leave, and if he shall so continue absent for more than one month beyond the term granted, his office shall become vacant.

Civil Servants absent from their Stations under Medical Certificate cannot be admitted to leave under this Rule in continuation of their Sick Leave; and if, while absent under this Rule, they be granted extended leave under Medical Certificate, they shall be considered liable to the Rules applicable to Leave of Absence on Medical Certificate for the whole period of their absence.

Civil Servants who have been absent on Medical Certificate during any portion of a calendar year are not entitled to leave under this Rule during that year; but in determining the interval necessary to entitle a person to leave under this Rule, no reference will be made to any intermediate Leave of Absence that may have been granted under Section XIV. *Clause I.*

*Section XIII.* As a general Rule, when leave is granted under Section XII, such leave will be in one period only, whether for a whole month or less, and not in detached portions to complete one month within the year, and the term year

shall be held to mean the calendar year commencing with the 1st of January and ending with the 31st of December, but as an exception to this Rule, it shall be discretionary with the several Local Governments, where good cause is shown for the indulgence, and it is attended with no public inconvenience, to sanction Leave of Absence under this Rule to such parties as may not have occasion to apply for the whole at once, in instalments, not to exceed in the aggregate one month within the calendar year, on the understanding that no leave can be granted for any fresh calendar year until the completion of three months from the expiration of the entire leave or of the last instalment of leave taken in the past calendar year.

*Section XIV., Clause I.* The Government may, on sufficient cause being shown, grant to a Civil Servant special Leave of Absence on Private Affairs for six months, to any place in India, Europe or elsewhere, without any restrictions whatever as to the places to which he may resort, provided, however, that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which he may be entitled without deduction, under Section XII., the absentee shall, for the period in excess, draw no more than one-half of his salary and allowances. After an absence of six months (exclusive of any period which may be granted under Section XII.) any Office held by the absentee shall become vacant.

*Clause II.* The Leave granted under this Section will be computed from the date of the absentee's quitting his Station to the date of his return thereto, and a second leave of the same description cannot be taken till the expiration of six years from the date of return to duty from a former leave. No portion of the half salary allowed to be drawn will be claimable till the absentee shall have returned to his duty.

*Clause III.* It will be understood that leave under this Section is not to be granted as a matter of course to every applicant, but that it will be the duty of the Government to consider and determine whether the grounds of the application are sufficiently urgent to justify the concession of the leave.

#### CHAPTER IV.

##### FURLOUGHS ON PRIVATE AFFAIRS.

*Section XV.* In the place of the period of three years (in one term,) for which Furlough has hitherto been granted, Civil Servants will be allowed the option of taking a Furlough of three years as at present, or of dividing the Furlough into three periods of one year each, to be taken after successive periods of seven years service or into two periods, which may either be of one or two years respectively, or of eighteen months each, provided that, in every case, the Civil Servant shall declare, on taking his Furlough, whether he intends it to be for twelve, eighteen, twenty-four or thirty-six months, in order that the Government may make its arrangements accordingly. In case of a division, into two periods, the first Furlough must be taken after a residence of not less than ten years, and the second Furlough after a further residence in India of ten years from the date of return from the first Furlough; but Civil Servants returning on Furlough to Europe will continue, as at present, to vacate their offices.

*Section XVI.* The Furlough Allowance granted during the periods mentioned in the last Section will be at the rate of £500 per annum, and the receipt of it will not, on any grounds whatever, be permitted for any longer period than three years.

*Section XVII.* Civil Servants who may have been compelled by sickness to quit their duty under Medical Certificate, before completing seven years' residence in India, will be entitled to receive during their Furlough on Private Affairs, taken subsequently to their completion of that period of residence, the ordinary Furlough Allowance of £500 per annum, for three years.

*Section XVIII. Clause I.* In applying the foregoing Rules in substitution of those before existing, periods of absence to the limit of three years, will count as service in India in the twenty-five years entitling to the annuity, the present qualification of twenty-two years' residence being retained.

*Clause II.* Absence on Medical Certificate to the extent of one year will reckon as Service and residence in India, and be so computed in addition to the three years of absence which under the Clause next preceding are allowed to be reckoned as Indian Service. All periods of short Leave of Absence on Private Affairs taken under Sections XII. and XIV. of these Rules will also count as service and residence.

*Section XIX.* Military Officers employed in the Civil Department will be subject to the Rules laid down in General Orders No. 1150 dated 17th November 1854, for the grant of Leave of Absence and Furlough to Officers holding Military Staff Appointments.

#### CHAPTER V.

##### RULES FOR JOINING STATIONS.

*Section XX.* There shall be allowed to Officers

NOTE.—The time allowed for joining is computed from the date of the Order reaching the Officer appointed.

appointed to any new Office the periods of one month, two months, or three months for joining, accordingly as the distance may not exceed

300 or 600 miles, or be in excess of the last-mentioned distance. Officers not joining their Station within the said periods, respectively, shall forfeit their salary for the time delayed in excess of the above periods, and if such excess shall exceed one month, the office shall be vacated, unless otherwise specially ordered by Government.

*Section XXI.* Upon the first appointment of any Civil Servant, who shall be reported qualified for Public Service by the Examiners appointed by the Government, to any Civil Station, there shall be allowed for travelling expenses to the Station, an allowance at the rate of 8 annas per mile by the direct Post Road, according to the Polymetrical Tables of the Post Office, the Bill for which allowance will be passed by the Civil Auditor after the Officer shall have joined the Station: if required in advance, an order of the Government shall be necessary.

*Section XXII.* The salary of office will be payable from the date only of the Officer joining, but in case of Junior Civil Servants, the salary of Assistants will be payable from the date of their being reported qualified for the Public Service unless forfeited under the preceding Rule, through delay in joining the Station to which they may be appointed.

**Section XXIII.** In case of a change of office, when an Officer is appointed to a higher situation, he shall not draw the higher salary until he joins. For the period occupied in travelling, the Rule No. XX., regulating the time and distance for joining Station, shall be applicable, and the Officer will, for the periods allowed in that Rule respectively, draw out of the salary of the office he is about to join, a sum equal to that of his previous situation.

## CHAPTER VI.

### RULES FOR DEPUTATION ALLOWANCES.

**Section XXIV.** The sum of Company's Rupees

**NOTE**—This Rule will equally apply in case of a Political Resident taking a leave of one, two, or three months, for which in other cases he would suffer no deduction. The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

52,200 per annum having been fixed, under the orders of the Court of Directors, as the maximum salary of Civil Office for the offices of Government under the situation of Member of Council, Civil Servants who may draw larger allowances than this annual sum, as a consolidated personal and sumptuary allowance, in consideration of the necessary expenses of their position, will, in all cases of absence, be treated in respect to deductions as drawing only the allowance thus limited, and the excess above the monthly salary yielded by that annual sum shall remain as a local addition to the usual Deputation Allowance to be drawn by the Officer performing the duties, to meet the necessary expenses of his position; provided however, that in the cases of Civil Servants appointed to offices of the description referred to subsequent to the 2nd June 1854, the sum of Rupees 50,000 shall be held to be the maximum salary, under the Government Resolution, No. 563, of that date.

**Section XXV.** Deputation Allowances shall be granted to Civil Servants temporarily performing the duties of an office according to the following rates, and subject to the limitations and conditions hereinafter laid down:—

To Civil Servants not holding any substantive appointment, at the rate of 50 per cent. on the monthly salary of the appointment officiated in, such Deputation Allowance being in addition to the Subsistence Allowance of their respective ranks.

To Civil Servants holding an office of inferior emolument, when officiating in an office of superior emolument, at the rate of 20 per cent. upon the monthly salary of the appointment officiated in, in all cases in which the salary of such appointment shall not exceed Company's Rupees 2,000 per mensem, and in respect to all appointments of which the salary shall be more than Company's Rupees 2,000 per mensem, at the rate of 20 per cent. upon Company's Rupees 2,000, and of 10 per cent. on the amount in which the monthly salary may exceed Company's Rupees 2,000, provided however that no lower rate of Deputation Allowance shall be given than Rupees 200 per mensem.

The Deputation Allowance shall in all cases be in addition to the salary of the substantive appointment held by the Officer on deputation.

The above rates are granted provisionally, subject to future revision.

In the Punjab, Nagpore and other places, where appointments are by classes, the amount of Deputation Allowances, payable at the above rates, will

be calculated, not upon the salary of the individual Officer holding the substantive appointment in which the Officer deputed may be temporarily officiating, but on the average rate of salary attached to the particular class to which the appointment may belong.

A Civil Servant acting for another shall have no claim to Commission or Fees, where any such sources of emolument exist. These shall be regarded as forming part of the income of the Officer to be relieved, subject to the prescribed deductions.

A Civil Servant acting in an appointment, the salary of which is to be reduced on the retirement of the present incumbent, will draw Deputation Allowance on the reduced salary.

An Officer officiating in more than one appointment will be entitled to Deputation Allowance, regulated by the aggregate amount of the salary of the offices.

An Officer appointed permanently to a higher situation, but prevented from joining his appointment by an order of Government, and detained to officiate in a situation of still higher emolument than the one to which he has been permanently appointed, will be entitled to a Deputation Allowance in addition to the higher salary to which he has been promoted.

**Section XXVI.** No Civil Servant, temporarily officiating for another, shall draw an amount larger than the entire emoluments of the office in which he is officiating, and if the amount of the Deputation Allowance, according to the prescribed scale, added to the permanent emoluments of the officiating Servant, would exceed the emoluments of the office in which he is temporarily acting, the excess shall not be drawn. But this provision shall not apply to the case of any Officer deputed for special reasons to act in an office of inferior emolument to his own. In cases where an Officer holding two appointments, on being deputed to officiate for another, shall be relieved only from one, he shall receive no Deputation Allowance, unless the emoluments of the office in which he is deputed to act exceed the united emoluments of his permanent appointments, and in that case the Deputation Allowance shall be limited to the difference.

**Section XXVII.** No subordinate Officer acting for his principal or for any other person holding a superior appointment in the same office or establishment, at the same Station, shall be entitled to any Deputation Allowance until after the expiration of one month, and then the allowance is not to be drawn in arrear. But a servant previously out of employment, or who may be deputed to act from a different Station, shall be entitled to Deputation Allowance from the date at which he may enter upon the discharge of the duties to which he has been temporarily appointed.

**Section XXVIII.** Civil Servants, if deputed to act at a distance from the Stations where they are employed, or if ordered by Government on special duty, shall be permitted to draw Travelling Allowances at the rate sanctioned in the case of a first appointment.

## CHAPTER VII.

### RULES FOR LIMITING THE PERIOD OF SERVICE.

**Section XXIX.** After thirty-five years' service no Civil Servant shall be appointed to any new office, nor be permitted to retain an office which he has held for a period of five years and upwards, ex-

cept in special cases, which are to be referred for the decision of the Hon'ble the Court of Directors. This Rule will be applicable to every Civil Servant appointed to office after its promulgation, and to the case of every other Civil Servant to whom it relates at the close of five years from the 25th August 1854.

#### CHAPTER VIII.

##### RULES FOR THE GRANT OF LEAVE OF ABSENCE TO LAW OFFICERS.

*Section XXX.* The East India Company's Law Officers may obtain Sick Leave and Short Leave on Private Affairs under the conditions prescribed in the case of Civil Servants, both as respects the periods of absence and the limitation of allowances during such absence. Leave will however only be granted at the convenience of the Government, and no additional expense will on any consideration be incurred by the Government on account thereof.

If any Law Officer shall quit his duty, save on leave under Medical Certificate or on Short Leave on Private Affairs, he will be considered to have vacated his appointment.

#### CHAPTER IX.

##### RULES FOR CHAPLAINS AND ASSISTANT CHAPLAINS.

*Section XXXI.* Chaplains and Assistant Chaplains may take Furlough on Private Affairs and on Medical Certificate, also privilege leave and leave for short periods on Private Affairs and on Medical Certificate in or out of India, on the same terms and conditions as Military Officers, with the following modifications:—

1st.—Chaplains being allowed to retire after twenty years' service, the period of Furlough on Private Affairs, is in their case limited to the present term of three years. The Furlough may however either be taken in one period, or be divided into two periods, whether of eighteen months each, or of two years and one year, respectively, and if divided, the first Furlough may be taken, as at present, after seven years' residence, and the second Furlough after a further residence, of ten years in India. As respects Chaplains and Assistant Chaplains appointed before the 11th January 1854, when the period of Service was only eighteen years, their second Furlough, if they should exercise the option of taking Furlough in two periods, will be available after a second residence in India for a term of eight years.

2ndly.—No Furlough or Leave of Absence, whether on Private Affairs or on Sick Certificate, taken in Europe or elsewhere out of India, in excess of three years, will be allowed to count as Service in India in the twenty years which qualifies Chaplains for their Retiring Pensions.

*Section XXXII.* The Furlough Pay of Chaplains will remain as at present. With regard to their allowance during Sick Leave to any place out of India, they shall receive salary (but at a rate not exceeding £600 per annum) for the first six months of absence, and, for the remaining twelve months, an allowance equal to the Furlough Pay of their standing. If the leave be extended, an allowance equal to Furlough Pay may be drawn for a further period of eighteen months.

## Notice

Is hereby given that the Government Bullock Train will cease to run above Kurnaul after the 15th instant, owing to the road being still impracticable for the successful management of that establishment during the rainy season.

From the above date, all Packages for stations above Kurnaul will, as heretofore, be conveyed in country carts, with every possible degree of care, but there can be no guarantee against possible damage from wet, as many Rivers and Nullahs without bridges have to be crossed.

The Bullock Train between Lahore and Mooltan will probably be maintained throughout the rainy season.

### Notice.

COMPLAINTS having been made of Steam or British Postage, although paid on letters from India, having been levied in England, on the plea that Indian Postage Stamps are not recognised there, the Post-master General, N. W. P., begs to notify, that all letters on which Steam or British Postage is paid, in addition to Inland or Indian Postage, are stamped with the words "India Paid" in red ink, and that this mark is recognised by the Post Office authorities in England as proof of pre-payment of Steam Postage.

Parties who pay Steam Postage on their letters should note on them Steam or British Postage pre-paid to England, and as Overland letters are now received on the latest safe dates by a Writer at the Post Office Window, the Postage Stamps will then and there be obliterated and the words "India Paid" stamped in red ink.

Those who pre-pay their letters to England are recommended to give the information above to their correspondents, so that if Steam Postage be demanded from them, they may protest and appeal to Her Majesty's Post-masters General for redress.
